

4Heros's MILITARY METALS

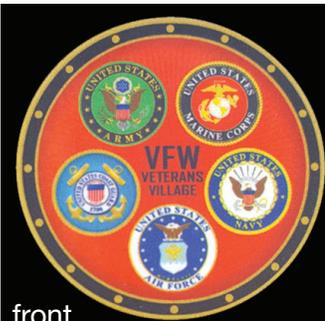

High Impact Ceramic Event/Anniversary Chips

4Heros has partnered with a **Veteran Owned Business** to offer our customers **high impact 1 3/4" ceramic chips** that are manufactured here in the **United States**. These **highly durable, lightweight** and **cost effective chips** can be **customized with any logo, photo, graphic** or whatever else your mind can think of!

These are a **great alternative** to the more expensive metal challenge coins. Because of their price point, these chips can be used to commemorate **celebrations of events and anniversaries** or **also be used to promote businesses**. **Sponsors, Businesses and Posts** can advertise on the side of the chip.
